Subject: Information Request

Good Afternoon, All!

As y'all know, Article 9, Section 6 reads in part:

The Administration will attempt to locate low cost/no cost local medical providers for services such as cholesterol, blood pressure and dental screenings, mammograms and will make such information available to employees.

The management interpretation to the language in Article 9, Section 6 (starting on page 9-8) reads in relevant part:

Employees are entitled to a reasonable amount of administrative leave to receive the services covered in this subsection. The use of administrative leave refers to Management initiated services only. This does not apply to routine visits to an employee's individual physician.

The Union filed a grievance over Article 9, Section 6.

The grievance was settled as follows:

From: Vaughn, Dianne A. RO Dallas
Sent: Wednesday, April 30, 2008 12:10 PM
To: Dejuliis, Ralph
Subject: Agreement: UM Grievance

Ralph,

As we agreed during our telephone conversation earlier today, to resolve the UMG filed by you pertaining to low cost/no cost preventive health care screening, I will remind management in our Oklahoma FOs to attempt to locate local low cost/no cost medical providers for health care screenings. Management will notify employees in their respective offices of low cost/no cost services they are able to locate.

Hope you have a good day!

Dianne A. Vaughn

Director, Area VII

Dallas Region

(214) 767-4315

In order to make sure that Oklahoma Field Office have complied with the terms of the grievance settlement, please provide the Union, pursuant to 5 USC 7114(b)4), with the following information:

All written documents (including but not limited to emails) notifying employees in your offices of the low cost / no cost service you were able to locate.

Again, the Union's particularized need is to enforce / insure compliance with the grievance settlement.

Thank you, in advance, for your anticipated, expeditious responses.

Ralph de Juliis, President
